Mayor Deiss,

Thanks for the note - While I respect your decision, I don't think serving on two other Boards/Committees that never meet (in fact I don't even know the other members after 4 years) should have removed me from consideration. I can only hope that the same criteria was extended to the other candidates as well - especially Tom O'Meara who serves on the prolific Park and Rec. Does this mean I need to step down from my current positions to be considered for other positions in the future?

I do wish you success with the nominees and hope that we can quiet down some of the rhetoric regarding West Bend soon.

Rich Kasten
