Mary—

Here, as per your request are 27 documents comprised of 40 pages which are related to the 06/08/09 open records request of the Maziarka's.

Kindly return all of the documents to me when you are finished with them, and let me know which, if any, of these documents are being forwarded to the Maziarka's.

I would also like to be reimbursed at the going copy rate by the City of West Bend for copying which I have done for this request. Printing, even on a home printer and on re-cycled paper, is not free.

Thank you,

A handwritten signature in black ink, appearing to read 'Mary Reilly-Kliss', with a long horizontal flourish extending to the right.
