Hi Mary,

"I don't care about your policy. I want those books off the shelves" . ~ Terry Vrana

May is the month that board members vote to determine who will be the officers of the board. The former president stated to the group that the past three months have been very stressful for her and her family. She then nominated the new board president. The vice-president and one of the co-secretaries are two of the four library board members whom the city council refused to reappoint to the board.

The potential meeting date in May that the board could agree upon was Thursday, May 21st. I've called the school district to request a large venue for that evening. I've also learned that not all board members can be there that evening. 😊 So it might well have to be on June 2nd after all.

Take care, Mary. I hope that you and Craig are having a splendid time and are enjoying your travels. I will not bug you anymore. Promise!

Michael

Hi Michael!

I feel like I've missed so much! New board chairperson? How did that happen? In general the first Tuesdays of the month are bad for me. I can make it work if need be, but I'd prefer another day if possible. You can contact Rita to schedule a meet with me and the new library board chairperson.

See you next week!
